

**IMPORTANT INFORMATION FOR BACHELOR STUDENTS**

We **STRONGLY ADVISE** students to choose courses from **ONLY ONE BLOCK** of the course blocks listed below in order to avoid overlapping courses.

Students can choose up to 5 courses per semester (no more than 30 ECTS)

There are quotas of how many exchange students can take a particular course. The course selection is based on the **first-come, first-served** basis

Bachelor students **ARE NOT ALLOWED** to take Master courses

If you take more than one **elective*** course, there is a higher chance of overlaps in your timetable (except for International Business and Communication program)

*Courses in darker background are elective
