

WE ARE HIRING

IDORU

Idoru Capital Management is the first capital management and investment firm aiming to tokenize Private Equity, Venture Capital, Hedge Funds, and Asset Management firms. We are rapidly expanding across EU and US markets, engaging with exciting Start-ups, entrepreneurs, investors, and company executives. If you are interested in how the traditional financial world meets cryptocurrencies, we welcome you to apply.

Website (idoru.capital)

WHO ARE WE LOOKING FOR?

1. Motivated individuals in their final year of schooling for an internship with the potential for full-time employment post-graduation
2. Part-time, dynamic and hardworking, specialists who are eager to learn, grow, and contribute to a team. Both remote and in-person.
3. The entrepreneurial can-do attitude and a love of challenges in a changing environment.
4. English fluency / comprehension is required
