

We are looking for

Audit Associate

With offices in 156 countries we are among the leading professional services networks in the world. We help organisations and individuals create the value they're looking for, by delivering quality in assurance, advisory, tax and legal services.

As a Audit Associate, you will become a part of a community of solvers committed to creating sustained outcomes for our clients and for society across the world.

In this role you will:

- Execute operational activities: collecting data, reviewing the work by focusing on quality
- Perform risk assessments & working with more senior team members
- Collaborate with teams & clients that are based locally and abroad to ensure all stages of projects are provided on time and in line with PwC's quality standards
- Take part in developing **audit** plans and strategy: obtaining an understanding of the client and its business processes
- Learn new skills daily – **audit** planning, project management, time management, etc.

What's in it for you:

- Opportunity to learn from the top-class experts & leaders – you will join a network of 295 000 people
- Flexible working hours, work from home policy and trust days for taking care of yourself
- Personal set of benefits package (health insurance, pension plan, budget for home office, language courses or parking place near the office)
- Personal Accident Insurance and increased employer sickness pay benefit
- Salary 1300 - 1800 EUR gross

Mind-break workshops and e-trainings

Learn individually and in teams

More than 100+ hours

For digital upskilling

Unique onboarding plan

New group of Audit Associates starts on **11th July 2022** with two months of special trainings

You are perfect candidate if you:

- Are a fresh **graduate** or planning to graduate within the next 12 months (from any field)
- Have excellent analytical skills (including the ability to interpret data and take actions based on data)
- Have ability to work with spreadsheets and presentation tools
- Are well-organised, detailed-oriented & thrive while multitasking
- Are upper-intermediate or advanced in English
- Have experience in leading projects (would be considered as a plus)
