ACCESS TO PROFESSIONAL ACTIVITY AND FURTHER STUDIES

Career prospects

- An Executive MBA is extremely versatile, and will allow students to pivot in many different directions depending on their career aspirations and interests in the public and private sectors. Many our students are either aiming to take on greater responsibility within their own companies, or change their current career path by re-positioning themselves in a different environment: industry or geographical location. Thus, the job titles of graduates might include chief executive officers and consultants, analysts in different business companies and heads of the departments of ministries and other public institutions.
