

APPROVED:
by the Doctoral Committee of Doctoral Programme in Management
organized by ISM University of Management and Economics, UAB
(together with Aarhus University [Denmark], BI Norwegian Business School
and Tartu University [Estonia])
No. 16-04-194 04.10.2023

ADMISSION RULES FOR THE YEAR 2024

TO ISM DOCTORAL STUDIES IN MANAGEMENT ORGANIZED BY ISM UNIVERSITY OF MANAGEMENT AND ECONOMICS TOGETHER WITH AARHUS UNIVERSITY [DENMARK], BI NORWEGIAN BUSINESS SCHOOL, AND TARTU UNIVERSITY [ESTONIA]

The Doctoral program in Management is run by prominent researchers of the respective universities, who perform high-quality research and regularly publish in high-level international journals, act as experts, and participate in research projects – ensuring the high quality of studies through the curriculum and scientific internships.

The program is conducted in English.

The purpose of doctoral studies is to develop researchers, who are able to contribute to the existing knowledge and conduct high-quality research aimed at solving relevant social and business problems. Doctoral studies lead to the development of competences and skills necessary for analyzing scientific literature, raising research questions, selecting adequate research methodology, conducting empirical research, and sharing it with the international scholar community.

Admission is carried out to full-time (4 years) and part-time (6 years) doctoral studies. Applicants may apply to state scholarships or self-funded studies.

1. RESEARCH AREAS

Applicants are welcome to submit the application to study at the Doctoral Program in Management field. Candidates must have a master degree in social sciences or adequate qualification.

Applicants can apply to full-time (4 years) and part-time (6 years) doctoral studies choosing the following research areas (see table 1).

Table 1

Core Research themes	Disciplines		
	Management (Human Resource Management, Organizational Behaviour, Strategy, Operations Management, Entrepreneurship)	Consumer Behaviour and Marketing	Finance
Sustainability management and sustainable growth*	X		X
Emerging technologies and data-driven decision-making	X		
Future of work, organization, and markets	X	X	X
Leadership and value co-creation	X	X	X

* Priority research areas

2. ADMISSION CRITERIA

- Research proposal project
- GPA of Master studies (grades in the supplement to a Master's or any other equivalent diploma)
- Motivational interview

English language skills are prerequisite for admission.

Proved English language skills, which should meet the requirements of Upper Intermediate level or higher. Valid results of TOEFL, IELTS are accepted of the last 2 years (minimum test scores are: TOEFL - a score of 79 points; IELTS academic - a score of 6.0). If none of these tests has been taken, an English language test will be organized at ISM.

3. COMPETITIVE SCORE FORMULA

The competitive score includes: the weighted average of subjects listed in the diploma supplement, the evaluation of motivation and potential of the applicant to study in the program and evaluation of research project

The competitive score (K) is calculated according to formula:

$$K=0,3*A+0,3*B+0,4*C$$

Where: *K* – Competitive score

A – Weighted average of grades listed in the diploma-supplement

B – Evaluation of research project

C – Evaluation of motivation and potential of the applicant to study in the program. Motivation and potential of the applicant to study in doctoral program are evaluated during the individual motivation interview performed by the Admission Committee.

A, B and C evaluation may range from 0 to 10.
