

PhD Position and Lecturer Opportunity at ISM University of Management and Economics

ISM University of Management and Economics is seeking motivated candidates to join our academic community as Doctoral Students and Lecturers. This opportunity includes doctoral studies with a state scholarship and part-time employment teaching select courses.

You will be enrolled as a full-time doctoral student in one of the Doctoral Programs at ISM University of Management and Economics, specializing in either Management or Economics, based on your research topic. Additionally, you will be employed as a part-time lecturer to teach two pre-master courses selected from the list below.

Finance:

- Financial Markets and Institutions
- Corporate Finance

Operations Management:

- Supply Chain Management
- Operation Management

Marketing:

- Digital Marketing
- Marketing Principles or Consumer Behaviour

What We Offer

- Fully funded doctoral studies with a state scholarship of 1045 EUR/month for the first year of study, increasing to 1210 EUR/month for the second through fourth years, complemented by part-time employment opportunities earning up to 600 EUR/month (after taxes) as per the terms of the employment contract.
- Supervision by distinguished scholars with a track record of publishing in high-level journals.
- Supportive community and cooperative spirit, fostering appreciative communication.
- Budget allocation for fieldwork, courses abroad, and participation in conferences.

Requirements

- Master's degree or equivalent higher education.
- Proficiency in English.
- Remote demonstration lecture: the topic will be mutually agreed upon in advance, providing an opportunity to showcase your expertise and engage with our diverse audience.

How to Apply

Interested candidates are kindly requested to email their CV to phd@ism.lt. You will be invited to conduct a remote demonstration lecture on a topic of your choice from the previously listed subjects.

Admission to the doctoral program will be based on a competitive selection process. For more information about admission to the ISM Doctoral studies, please visit www.ism.lt.

The deadline for application to doctoral studies is **2024 08 30**
