Study Administration

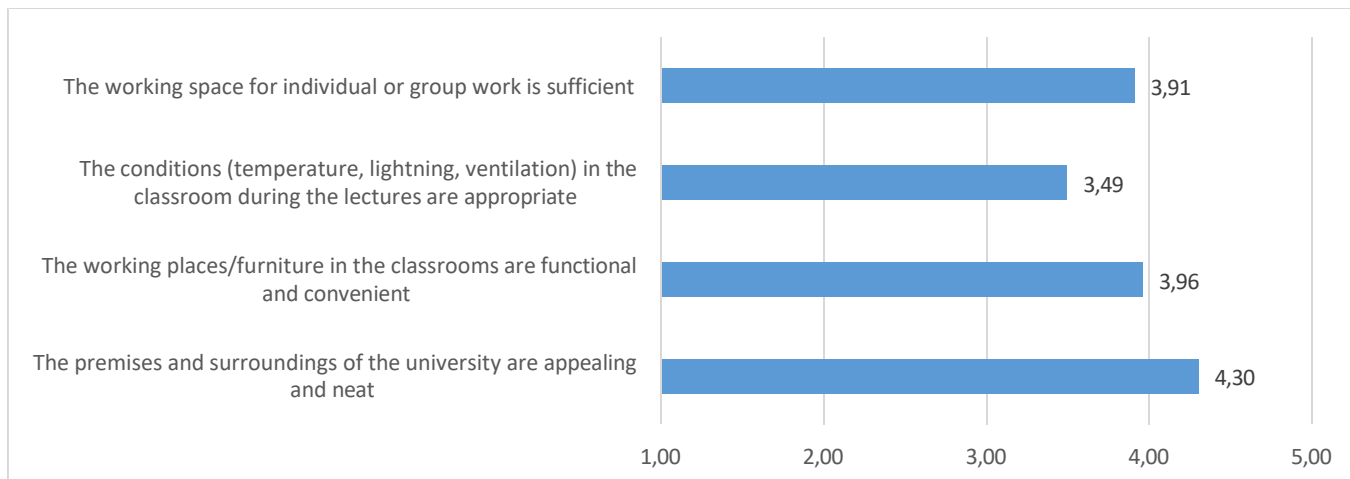

Comments and suggestions	Feedback to the students on Quality Improvement plan
Schedule	<p>The schedules are discussed in Study Commission; program directors are involved in planning intensive courses which are scheduled first and then other subjects follow.</p> <p>Program directors are responsible for arranging mid-term meetings with students' representatives and sending invitations to attend at least one week before the scheduled date.</p>
Exams	<p>A professor is responsible for providing information about the form and type of the exam (in the subject curriculum. The faculty is obliged to provide clear instructions and tasks in the examination paper, as during exam, coordinators are not expected to consult students.</p> <p>Also, a professor is responsible to evaluate and announce exam results to the students no later than 5 working days. In case the deadlines are violated students may inform their study manager about such cases.</p>
